As a result of the evaluation, potential Non-Compliance Items were noted.

Please provide a response to each item using the "Non-Compliance Items Response Form" on your SEEK dashboard. The form can be found as an upcoming due task. This response should contain documentation describing the course of action taken to correct each item. The corrective action(s) should be completed as soon as possible and the response, including all necessary documentation (i.e. photos), is due by July 30, 2026.

Non-Compliance Items

1. It shall be unlawful for any person to engage in any of the following acts without having first obtained a written permit. Inspector Comments: No Comments

2. Place or cause to be placed any sewage, industrial waste, or other wastes in a location where it is likely to cause pollution of any waters of this state. Inspector Comments: Current sediment controls are inadequate to prevent sediment from entering storm drain inlet and drainage ditches

If these potential non-compliance items have not been resolved within the time frames listed above, this matter may be elevated to a formal enforcement action, which may include civil penalties.

If I can be of any assistance, please contact me at jon.vickery@arkansas.gov or [redacted]

Sincerely,

Jon Vickery
Inspector
