As a result of the evaluation, potential Non-Compliance Items were noted.

Please provide a response to each item using the "Non-Compliance Items Response Form" on your SEEK dashboard. The form can be found as an upcoming due task. This response should contain documentation describing the course of action taken to correct each item. The corrective action(s) should be completed as soon as possible and the response, including all necessary documentation (i.e. photos), is due by October 30, 2026.

Non-Compliance Items

1. Failure to design, install, or maintain erosion and sediment controls to minimize the discharge of pollutants is a violation of Part I B.13.A of the permit.

If these potential non-compliance items have not been resolved within the time frames listed above, this matter may be elevated to a formal enforcement action, which may include civil penalties.

If I can be of any assistance, please contact me at William.Cody@arkansas.gov or [redacted]

Sincerely,

William Cody
OWQ Inspector Supervisor, Area 1
